K-2 Class Teacher for 2013

Miss Amy Gordon has accepted the classroom teaching position. Miss Gordon is very excited and looking forward to working at Pallamallawa Public School.

Headlice

The school has received an information from a parent that headlice are again being treated. Please check your child's hair and treat if found. Parents are reminded students should not be at school when headlice are present.

Intensive Swim School

This year we will be trialling a new format for our intensive swim school. The students will have two swim lessons a day over a week. The School carnival will be held on the last day in the first lesson. This will mean we will be at the pool for a longer period each day. Students will eat morning tea and lunch at the pool. These times will be different from a normal day. Running the swim school over 5 days will mean less disruption to learning.

Permission note and information were sent home last week. Please return notes to the office.

Pyjama Party

On Thursday 15th November the staff will be holding a pyjama party. This will include all students. Part of the night activities will be star gazing at different times. This will be part of the Stage 2/3 Unit of work on the Solar System. More information will follow closer to the date.
