Outstanding School Accounts

Thank you to all the families who have paid school accounts promptly. We still have outstanding accounts for School Fees, Laptop hire, and the Deposit for the Lake Ainsworth Excursion.

The school has covered the cost of text books and classroom consumables. Parents need to be aware the school pays in advance for these items. The school and our staff cover other associated costs for classroom activities rather than charging parents. The school has also paid a deposit for the Lake Ainsworth Excursion. It would be appreciated if Fees could be paid for by the end of term. If any parent has a problem paying outstanding accounts they need to contact Mrs Schwartz.

Computer - Mathletics

www.mathletics.com

Students received a username and password for Mathletics program last week.

Students will need to go to the website on www.mathletics.com and use their username and password to access the program.

The school purchased the access for students to use this program in the classroom and at home at no cost to parents. It is an excellent resource to support learning.

Library News

Mrs Barwick is delighted with K-2 and how they are borrowing from the library every week. They are all using their library bags too.

Travelling on the buses.

We have had a number of confusing and possible safety issues with students changing travel from school. Mr and Mrs Grant have requested written information to changes to student travel. Last minute changes for student travel by parents will require the office to write a short note for the drivers. Please be aware formal notice needs to be given to our bus drivers.

ANZAC DAY SERVICE

This year the School will be participating in the ANZAC Service to be held at Crooble Hall on 25th April. 7am for 7.30am start. This is an early start but the opportunity for our students to be part of Australia's on going history and the service is important. The students will be part of mass poetry reading. The poem will be sent home next week for students to learn. Mrs Sullivan will be coordinating.
