### **The ARTbird Project Continues**

The students have put bird feeders around the playground to encourage new and existing bird life into the area. Under the guidance of Mrs Forsyth, the students have been searching for bird life in the playground with the school's new binoculars. They found a family of Tawny Frogmouths in a tree this morning.

### **The Samba Performance**

The whole school attended a Musical performance yesterday. This performance was paid for out of school funds. All the students had hands on experience with different musical instruments. As you can see they thoroughly enjoyed themselves.
