Swim School 24th - 28th November

Cost for this year is \$60 per student. This covers cost of entry into the pool and part of the cost of transport. Rural and Remote School Grant and Equity funding assists with the cost of transport.

This is a whole school activity. Note. There will be NO supervision at school for students who do not attend. Notes and money need to be returned to the office by Friday, 14th November.

Outstanding Accounts.

Accounts have been sent home to families who have still not paid school fees, lap top hire, etc. These accounts need to be paid. The school has paid in advance for such things as text books, computer programs, etc. for all our students to use. The school carries these costs and needs to replenish

finances for end of school and next year's start-up costs. We ask that these accounts be paid as soon as possible.
