The Pallamallawa Public School App

Parents are asked to put this App onto their smartphone. It is proving an excellent communication source for parents to receive information from the school. Phones with the App received the information immediately about changes to routine. Newsletters, notes, instant notifications, calendar information are all included on the App. This App is available at no cost to parents. Some android phones have issues installing the App. The Sircle Company has been dealt with most of the install and operation issues. Please contact the school if you are still having issues using on your phone.

COMMUNITY NEWS

Race at your own pace with Moree Diggers Swimming Club

Come along each Sunday and enjoy recreational swimming at its best with Moree Diggers Swimming Club at the Moree Artesian Aquatic Centre. We welcome singles, couples, families and members of every generation. There is a family atmosphere to our Club and a lot of social interaction including pool-side BBQs and some evening events. The age of our members (both male and female) extends from 4-85 years and ability ranges from basic, to those interested in fitness and social interaction through to competitive but generally we are a relaxed Club and swim for fun! Diggers' members must nominate which race they will swim no later than 8.15am each Sunday. A typical morning program includes freestyle – 30m, 50m and either 100m or 200m and stoke of the day – 30m. Each month, we also have relays and 25m sprints.

We cater for all abilities and races are based on a handicap system. Every new swimmer needs to swim a time trial in each event in order to establish a time. Handicaps are then revised weekly, and your starting time is based on these results. **Race at your own pace!**

Adults must be members of the Moree Services Club to join the Moree Diggers Swimming Club and children must always be accompanied by an adult. Check out www.MoreeSport.com.au > Diggers Swim or contact diggersswimclub@outlook.com

Swimming season for 2014/2015 begins Sunday 12 October 2014 and ends Sunday 19 April 2015.
