### The Pallamallawa Public School App

Parents are asked to put this App onto their smartphone. It is proving an excellent communication source for parents to receive information from the school. Phones with the App received the information immediately about changes to routine. Newsletters, notes, instant notifications, calendar information are all included on the App. This App is available at no cost to parents. Some android phones have issues installing the App. The Sircle Company has been dealt with most of the install and operation issues. Please contact the school if you are still having issues using on your phone.

Friday will be  
a Mufti day.  
Students can

come dressed as a
