Camp Draft letter from P & C President

I would like to say how proud I was of how well the Camp Draft went off last weekend, families, the community and the staff all came together to make it a great success. Thank you.

Everything was positive out of the weekend from the jumping castle and face painting on Saturday afternoon through to the dinner and the effectiveness of the new camp for the competitors was great. Thank you to our committee we are small but we are mighty. Especially the efforts of Kerry and Jill who made it all happen. A special thank you to Julie and her family who worked there all weekend also.

Luke Bennett was injured on Sunday and first reports weren't good, I spoke with his wife yesterday and he is being released from hospital with no permanent injuries, so another positive outcome for the event.

The people who built the new yards, worked in the canteen, cooked food, helped with the bar, You know who you are please accept my personal thanks and a combined thanks from the kids at Pally school, we are looking at adding to the fixed play equipment with some of the funds raised.
