THE AUSTRALIAN GOVERNMENT DROUGHT ASSISTANCE PACKAGE

Carpe Diem is touring as part of the Australian Government Drought Assistance Package. This free event has been produced and funded by Carpe NW, in conjunction with Drought Assistance partners and provides Challenge, Richmond, SA, South Australia and the Ascent Group.

Funded by the Federal Government, the providers are working closely to deliver and facilitate events to improve the mental health, wellness and wellbeing of individuals and communities across the entire region. The funding provides support to rural families, farmers and community members to access free counselling and support, education on mental health, stress and prevention, as well as free community events to improve health literacy.

Set in a rural town, *Carpe Diem* portrays the friendship of a hard working farmer and his stock agent mate. Both have been impacted by the long running drought. *Carpe Diem* is an entertaining look at how friendship and proper care give a man the strength to cope and the tools to carry on.
