Newsletter Thursday 11th August 2016

Relieving Principal: Tanya Withers

Trawalla Nut Farm

Next Friday 19th August will see us visit the local pecan nut farm for the day. All students are to bring a packed morning tea and water bottle. We will arrive at around 9.30am and will have some lessons about the nut farm and the farming process. A BBQ lunch will be provided for the staff and students. Children will then be given the opportunity to collect some of the pecan nuts to take home with them.

We desperately need assistance with transport! At this stage we are unable to find transport for all students. If you are able to assist with transport please let the school know. You are most welcome to join us for the day or drop some students off at the Nut Farm and pick them up later. Maybe your plans have changed since returning your child's permission note.

Campdraft

Helpers for the campdraft are required! Remember all money raised goes towards supporting the education of the students at Pallamallawa Public School. If you are unavailable to help at the campdraft maybe you could assist by donating some cakes or slices.

Lake Ainsworth Excursion

A reminder for students who are attending the Lake Ainsworth excursion to continue to make contributions towards the cost of the excursion. At present we have a number of students who have only made a small contribution towards this expense. Students who have not paid for this excursion will be unable to participate. Medical notes and more information will be sent home early next week.

Book Week

Wednesday 24th August students will celebrate book week with an out of uniform day themed Australia-na. Students can come dressed as someone or something that symbolises Australia. We will also be holding a Mini Olympics afternoon to celebrate the Olympic Games. P & C canteen will be catering on the day. Children who pay \$5.00 will receive lamingtons and fruit at recess and a large pie / sausage roll and popper for lunch.
