Mrs Schwartz-Leave

We have received notification that Mrs Schwartz is continuing her leave for Term 4. Ms Withers will remain in this position as Relieving Principal until the end of the year.

Lake Ainsworth Excursion

Students that are on the Lake Ainsworth Excursion-Parent's can ring the school after 2pm to check the time estimated that the bus will arrive back at the Pally turn off. The school will also inform the local radio station 2VM and Now FM to have the times announced on the air.

Some of the activities the students have done and are doing: 8km walk down to the beach to rock pools to do snorkelling, archery, beach games & orienteering.

Looks like they are having a wonderful time. Plenty to eat, What a view!

Before School

Teacher supervision is provided from 8.40am. Students should not be arriving before this time unless previously arranged.

Student Sign In/Sign Out Book

If your child is late to school or is leaving school early you must sign them either in or out. This book is located at the school office. This is part of departmental criteria and we must do this. If your child is away from school either sick or on leave, please write a note, make a phone call or just let staff know the reason they are away so it can be recorded against their absence.

School Fees

The school has sent out an updated invoice for school fees that are still outstanding. There are still a lot of these that have not had any money paid on them. If you are having any problems financially please contact the school and speak to the principal about this matter. **These accounts need to be finalised immediately.**

Head Lice

The school has had a number of reports of headlice in our school community. Parents need to be aware students need to have headlice treated before they are to return or attend school.

Treatment of headlice includes removing eggs and lice from not only hair but all bedding, cushions, hair brushes and anywhere that the child has had contact. It is advisable for all the family to be treated as well. Please make sure your child's school hat is washed regularly. The school policy is children are not to share hats.

Stranger Danger

Please make sure you speak with your child regarding stranger danger, this is very important!

Parents need to be aware that there has been sightings of a white van with very dark tinted windows parked around the school grounds. Police have advised us if any community member sees a vehicle acting suspiciously please note the number plate down and ring Moree Police on 67570799 or 000.

- Make sure your parents or another adult you **know** is aware of where you are at all times. Always walk straight home or to the required destination. Walk near busier roads and streets, or use paths where there are a lot of other people.
- Know where safe places are – a shop, service station, police station, library or school. If you are frightened, you should go to one of these places and ask them to call the police.
- Learn about safe adults you can look for and talk to if you need help – police officers, teachers at school, adults you know and trust.
- Don't talk to people you don't know and never get into a car with someone you don't know. If a car stops on the side of the road and you don't know the person inside, do not stop.
- If you are scared and can use a phone, call Triple Zero (000) and tell them you are scared.
- If someone tries to grab you, yell out, 'Go away, I don't know you!' This lets other people know you have been approached by someone you don't know.
