Thank You Parents-School Fees

To all the parents who have paid this terms fees or all years' fees, Thank You.

School Fees - \$50 each student

This amount covers the cost of textbooks used by students. This needs to be paid by Friday, 24th February. The School subsidises the cost of text books, exercise books, classroom consumables and other activities such as Performances and Excursions.

Voluntary Contribution

Parents can make a Voluntary Contribution to the school \$10.

ipad/Laptop Fees

\$10 per student a term. This fee helps to cover education programs the school purchases each year to support learning. E.g. Spelling, Mathletics computer program for students to access at school and home. Agreement/Usage Notes need to be returned with money.

Media / Walking Permission Note

These need to be completed and returned to school. The walking note covers all activities your child will be involved in during 2017 when moving around the village. Students will be supervised at all times.

Update of Family Contact Information.

Please complete the update and return to school as soon as possible. We need to make sure information for family contacts is up to date. It is extremely important for the school to have up to date contact information especially if the school needs to contact parents quickly.

The Medical note is a Department of Education requirement and must be completed before your child can attend any excursions.

Library for 2017

Both classes will have library on Friday this year. Students will need a library bag to borrow books from the library. Library bags are available from the canteen for \$10.

Before School

Teacher supervision is provided from 8.40am. Students should not be arriving before this time unless previously arranged.

School Newsletters - Thursdays

At this stage the School newsletter will be sent home on Thursday. Parents are reminded the newsletter can be delivered through email. Please notify the office of any updated emails addresses. School newsletters are also available on the school app.
