Students will be divided into 4 different groups: Group A-Red, Group B- Blue, Group C-Yellow and Group D- Green. Each group on a rotation basis will participate in a variety of different STEAM Activities throughout the day, Consisting of: Science of Soils, Plants, Poop & Pollinators, Creative Chemistry & BusyBots. This has previously been an enjoyable day for all staff and students. We look forward to networking with the visiting schools. Students will need a packed morning tea, lunch and water bottle for the day.

### **Canteen Day-Monday**

The new Winter Canteen Menu & Price List has been sent home with students. Parents please note what is available and prices and order accordingly.

### **Colds & Flu**

Parents just a reminder that if your child has cold or flu symptoms please keep them at home until they are well. Your cooperation would be appreciated. The flu is easily spread and we do not need it being spread at school. Thank You.

### **Dogs on School Grounds**

We have had stray dogs on the school grounds on numerous occasions. These dogs are causing a great deal of mess, up ending bins which in turn is a health hazard. This is also causing concerns for staff and frightening students. Reports have been made to Council who are looking into the matter. If you have dogs make sure they are tied up and monitored at all times, otherwise you might find they will end up in the pound.

### **Woolworths Earn & Learn**

The Woolworths Earn & Learn program is well under way. We have a collection box in the school office for stickers; there is also box at Woolworths Moree with Pallamallawa Public School name on it for you to put your stickers in. So please encourage your family, friends and community members to start collecting the stickers.

### **Visitor's to School**

All visitors to our school: Parents, Guardians, caregivers and Community members, must come to the school office first and sign in. You will then be directed to where you need to go from there.
