commences

**A Message to all students, the  
Easter Bunny has contacted the  
school and will be  
delivering lots Easter  
Eggs on Sunday.**

### Term 2

Monday 27<sup>th</sup> April is a staff professional development and a pupil free day. At this stage the school will continue to operate similar to the last two weeks of term 1.

### Term 1 Update

The latest DoE update suggest learning from home will continue deep into Term 2, if not all term. The school continues to be open for those students of Essential Workers. The school is open and supervision is available from 8.40am to 3pm. Students both at home and at school have been working on hard copy packs. Completed packs are to be returned this week for assessment purposes. Class labeled crates have been placed on the front verandah. Term 2 packs will be available for collection on Tuesday 28<sup>th</sup> April, for those students working from home. Staff have been busy and I would like to thank them for the extra work they have put in to complete these packs. The increase in work load and the extra professional development has been a big ask for staff.

### Absences

Please contact the school to advise the correct type of absence for your child. School Policy states that the school needs to be notified for all absences. Note: The Department recognises self-isolation/social distancing/health issues of students needs to be documented.

### Class Teacher-Student Contact

Staff are currently trying to make contact with students. Please contact the school or class teacher if you have not had any contact. Current contact information may need to be updated, as we have had some emails and SMS bounce back.

The staff would like to wish everyone a restful break. Please stay safe, healthy and enjoy the Easter break.
