

Pally Community Information Session

NARRABRI TO NORTH STAR PHASE 1 INLAND RAIL PROJECT

Trans4m Rail is constructing Phase 1 of the Narrabri and North Star section of Inland Rail and, from early July, began construction activities within the existing rail corridor north of Moree to North Star. As valued stakeholders along the N2NS alignment we would like to ensure the Pallamallawa community is well-informed regarding construction works within your region.

Pallamallawa Community Information Session

Monday, 8 November 2021 from 5.30pm
Pally Pub, 59 Bingera Street, Pallamallawa

Discussion items for the information session include the following:

- Construction update and timeline of works
- Interacting with harvest, truck movements and mitigating impacts
- How to raise concerns and complaints
