

Dear parents,

This afternoon the Premier announced that all regional New South Wales local government areas (LGA) has had community transmission of COVID-19 and stay-at-home restrictions and THAT STAY-AT-HOME ORDER WILL COMMENCE from 5pm Saturday 14th august. This means if you are working from home, and your child is able to be educated from home, please keep them at home to minimise movement in the community.

Our school will be open with **minimal supervision** to support those students who cannot be educated from home, for example if their parent or carer is **an essential worker**. All students and families will be supported with learning from home materials and resources provided by your teacher. These work packs and resources will be able to be picked up from the front verandah from tomorrow at 11am.

Find resources to help you and your child learn from home at education.nsw.gov.au/parents-learning-at-home and download the [NSW school updates app](#) onto your phone to receive the latest updates about the operational status of your child's school.

I will be following this information up with a phone call each family shortly.

Stay safe,

Sharyn Pidgeon – Principal
