# Welcome to Week 7

## Dear Parents and Caregivers

Welcome to a frosty point of Term 2. As usual our days are filled with learning, play and friendship. NAPLAN testing has been completed for students in Years 3 and 5. Ongoing assessments are continuing across the school in Literacy and Numeracy. School reports are being finalised and will be sent home next week. Parent/ teacher meetings will take place in week 9. If you would like a meeting, please notify the school and an appointment time will be given to you. You should be very proud of your child/ren for trying their personal best each day.

Our PBL values of show Respect, be Responsible, have Success are the values which PPS strive to achieve.

Every Monday afternoon all students and staff have assembly to learn about these values, how they look and the expectations of our school community. This assembly assists the whole school to begin our week in a positive and upbeat manner.

Congratulations to our combined Pallamallawa and Gravesend soccer team who travelled to Inverell on Friday 27<sup>th</sup> to play in the PSSA Knockout. We are proud to tell you all that the team won both games, 7-2 and 2-1 to go into round 3 next term. All students displayed good sportsmanship and played as a team, backing one another up to be successful. A big thank you to Mr Byrnes and Mr Mac for coaching and taking the students on this exciting journey. Well Done to you all!

### **Reconciliation Week**

National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. Students acknowledged Indigenous history and culture in Australia by watching a presentation on reconciliation and joining in reconciliation discussions and activities.

### **Narrative Writing**

Students in Years 3-6 have been working on their narrative writing this week. We have looked at onomatopoeia and how we can incorporate this into our writing. The students came up with a great list of words to use. We are also challenging ourselves to add more interesting words and descriptions to our writing to make it more engaging for our reader. The students also discussed their writing ideas with their peers. It was great to see the exchange of ideas and feedback during this. One student was experiencing writers block and was able to draw on these discussions to help them direct their writing and assist them to decide on "where to next".

### **Student Vegetable Gardens**

Last Friday Students planted a variety of winter veggies in our garden beds which included broccoli, cabbage, cauliflower, onions, and spinach.
