Ms P's UPDATE

Hello Everyone!

Wearing the Correct Uniform

Thank you to all students who wear the correct uniform every day.

Wearing the correct uniform shows pride in our school. All students are required to wear the correct uniform each day with a navy school hat.

Attendance

Attending school every day allows your child to get the most out of their learning and improve their career and life options. This includes attending school on family holiday, birthdays. Regular school attendance can help expand your child's learning and create positive relationships with their peers. If you require support in getting your child ready and motivated for school, please reach out to us.

40km/h School Zones

40km/h school zones slow traffic on the roads around schools. This is to help protect children on their way to and from schools at the times and places where they are often in high numbers. Most 40km/h school zones operate between 8.00am and 9.30am and from 2.30pm until 4.00pm. The 40km/h school zone speed limit must be observed even if school children cannot be seen. A 40km/h school zone operates on all notified school days including staff development days (Student-free days). While some schools may operate on different term dates, school zone speed limits must be followed during NSW Government determined school terms. You can find the school term dates on the following websites: roadsafety.transport.nsw.gov.au, educationstandards.nsw.edu.au and education.nsw.gov.au. Fines and a loss of demerit points will apply if the 40km/h speed limit isn't followed. For more information on fines and demerit points, visit transport.nsw.gov.au. For more information on keeping our kids safe around schools visit the families section on safetytown.com.au.
