Ms P's UPDATE

Combined Schools Cross Country

This week Pallamallawa Public School participated in the combined schools Cross Country. Our Students gave the race their all. Some raced to the finish line while others decided to pace themselves, have a rest and cheer their friends on. The support, and effort shone throughout the day.

It was a great chance to catch up with students and staff from other schools as well. Everyone had a go and enjoyed being part of a bigger event.

A 🌟 huge thank you to Gravesend for organising a well-run event. We look forward to Friday for the Moree Zone Cross Country.

Grip Leadership

Yesterday Years 5 & 6 students attended the Grip Leadership Conference in Moree. This annual event is an amazing opportunity for our students to connect with other leaders, learn more in depth about what leadership is and looks like, and have a fun day with other students from all over the region.

STEM Day

Pallamallawa Public School will be hosting an online combined schools STEM Day with Croppa Creek and Gravesend schools this coming Tuesday, where all things Volcanoes will be happening. Stay tuned for more about this!

RESPONSIBILITY

SUCCESS

MOTHER'S DAY LUNCHEON

Pallamallawa Public School, once again held our Mother's Day Luncheon on Friday 9th May. All mum's, grandparents and aunts were welcomed into the school by staff and students. The whole school choir provided some wonderful entertainment by singing some songs for all to enjoy.

A wonderful array of food was on offer to choose from, followed by delicious dessert choices. By the responses that have been received everyone had a wonderful day and enjoyed their meal.

COMBINED SCHOOLS CROSS COUNTRY

Pallamallawa Public School students travelled by bus to join with Gravesend and St Josephs schools for our annual cross country event at the Gravesend Recreation ground.

This year Gravesend invited Bullarah and Rowena Primary schools to join in the day.

All students had a great day.

Results:

8/9 Years: Mason Aitken & Lottie Barnett

10 Years: Daniel Wood & Cybelle Barwick

11 Years: Dougal Quinn & Cate Barnett

12 Years: Jaxon Moore & Areli Beel

Congratulations to you all!

GRIP LEADERSHIP

It sounds like the GRIP Leadership Conference was a great experience for the Year 5 and 6 students! It's fantastic that they took part in leadership activities and got to meet students from other schools. Events like this help build leadership skills and create a sense of community among the students. Ms. Pidgeon's comments show that the students behaved well and showed respect for others, which is very important in leadership.

ZONE CROSS COUNTRY

Congratulations to the following students who have qualified to compete at the Zone Cross Country trials at Gravesend Recreation Ground on Friday 16th May.

Clayton, Ebony, Mason, Charlotte, Jaxon, Indy-Rose, Annabella & Ruby.

Good Luck to you all, and run like the wind!
